**AGREEMENT FOR CONSTRUCTION OF IMPROVEMENTS
PROJECT: ROAD & DRAINAGE IMPROVEMENTS - PARCEL MAP NO. 16511**

WHEREAS the undersigned Subdivider/Developer (herein "Subdivider"), has submitted its Final Map for the above-referenced project to the County of San Bernardino (hereinafter "County") for approval; and

WHEREAS Subdivider has not completed all of the work, or made all of the improvements required by Title 8 of the County Code or such other ordinances of County requiring construction of improvements in conjunction with land divisions, subdivisions, and the like, hereinafter collectively referred to as "said ordinance"; and

WHEREAS Subdivider desires to enter into an agreement to provide for the completion of the work and making of the improvements and to furnish security for the performance of this agreement and to guarantee the work for a period of one year in accordance with the provisions of said County Code;

NOW THEREFORE, in consideration of the approval of said Final Map by County, and as a condition of such approval, Subdivider promises and agrees at his own expense to do all of the work and make all of the improvements required by said ordinance as follows:

1. The list of work and improvements as shown on Page 4 hereof is only a general designation of the work and improvements and not intended to limit the work required on the approval of amended plans and specifications referred to in paragraph 2 below.

2. All of said work shall be done and improvements made and completed which are shown on and in strict compliance with applicable plans and specifications and any subsequent alterations thereto. Any subsequent alterations in said plans and specifications and the work to be performed may be accomplished without first giving prior notice thereof to Surety, unless the

estimated cost of any changes or alterations in said work exceeds ten percent (10%) of the original estimated cost of the improvements, then the consent of the Surety shall be obtained. Absent such consent, the Surety's obligations shall not exceed the cost of improvements to be constructed under the originally approved plans prior to any alteration. In no event shall any alteration result in exonerating the Surety's obligations.

3. All work required in this agreement shall be completed and improvements made within two (2) years from the date of this agreement, unless such time is extended by County upon written application of Subdivider.

4. The making of an application for an extension of time by Subdivider shall, upon the granting of the application by County, constitute a waiver by Subdivider of all defenses of laches, estoppel, statutes of limitations, and other limitations of action in any action or proceeding filed by County within a period of four (4) years immediately following the date to which the time of performance is extended.

5. Subdivider further agrees that any and all grading done or to be done in conjunction with the development of said project shall conform to the requirements of the San Bernardino County Code and any other applicable ordinances regulating excavations and fills (e.g., grading regulations) and shall be completed within the period of time described above and prior to the acceptance by or on behalf of the County of the work and improvements, in order that the improvements will not be endangered by improper drainage or other hazards.
